# Dedication

To my wonderful mother and greatest gal-pal who has saved every short story, poem and book report since she first taught me to write. We won't speak of the baby mittens.

# Acknowledgments

With special thanks to Teri Bernard-Sokoloff for permission to use examples from her web sites at Sokoloffglass.com and Cucamongaglass.com. Thanks to her husband Steve for his dry wit and good taste in wine.

Thank you to my subject matter experts: Naz Nasseh and her husband Arsalan Bahar, Ben Beckley, Kristen Molina, David McVey and Samina "Sammie" Sanchez-Davis. Your time and attention to detail has been invaluable.

Many thanks to my talented editor Tom Lenzo and to my proofreader and cherished friend, Michael Turko. Without your contributions, this book would not have been possible.

Finally, a big hug goes to my father for his constant encouragement.
